

TENOR

2021 Tenor Sauvignon Blanc

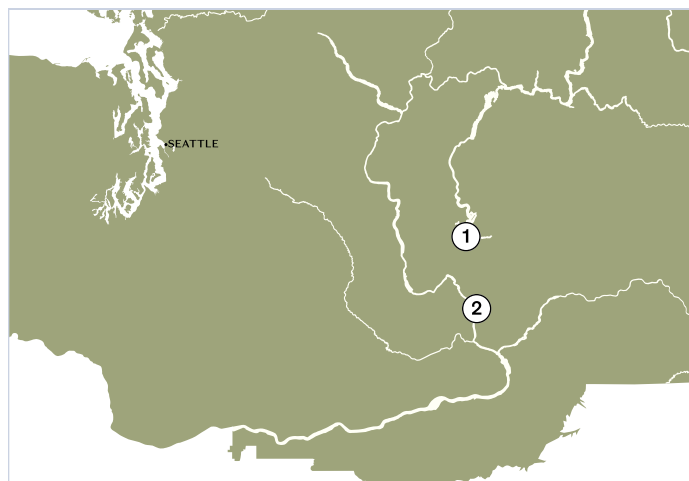

The 2021 Tenor Sauvignon Blanc was crafted from two vineyards, Bacchus in White Bluffs AVA and La Reyna Blanca in the Royal Slope AVA. Farmed using sustainable practices, the vines were limited to one or two clusters per shoot for maximum concentration. They were hand-harvested in August & September of 2021. The fruit was sorted in the field and whole-cluster pressed until desired flavor profile was achieved. The juice went through a long and slow fermentation in 85% new French oak of varying format size and aged for 1 year. This wine was cold stabilized and bottled unfiltered for maximum flavor and aromatic intensity. Only 148 cases were produced.

“The 2021 Tenor Sauvignon Blanc comes from the Lorena, Bacchus and Connor Lee Vineyards. Aged in 80% new French oak the wine saw extended lees contact, as this shows off cantaloupe and papaya aromatics that combine with Brazil nut and shades of sweetened gooseberry. The palate is rich and concentrated with good underlying tension and saline drenched nectarine and green apple flavors. Finishing long this is a beautiful expression of Washington Sauvignon Blanc. Drink 2023-2031.”
